CONSCIOUS LEADERSHIP & RESILIENCE

ORCHESTRATING INNOVATION AND FITNESS FOR THE FUTURE WITH ROBERT DILTS

Are you fit for the future? The world is changing. How prepared are you to meet the challenges and seize the opportunities that lie ahead? How would you like the advantage of being able to use the key skills and strategies that today's most visionary and successful leaders are using?

During this unique 10-day learning program you will have the chance to explore how to accelerate innovation and enhance your fitness for the future. In this powerful culmination of Robert Dilts' application of Success Factor Modeling™* (SFM) to exceptional leaders and entrepreneurs, you will learn how to empower, coach, share and stretch yourself and others in order to create a profitable and sustainable venture. The program will be enriched by Mastermind groups, interviews and panel discussions with leaders from the Silicon Valley as well as Mindfulness sessions. The program will also help you to discover how you can bring greater and more consistent success into your life.

This will be the first and only time this program will be given in 2017. It is an exclusive opportunity to develop the key skills needed to be a more confident and conscious leader and to share those skills with other leaders.

THE PROGRAM WILL COVER:

- Applying the SFM™ Leadership Model
- Managing energy in yourself and your team
- Establishing a winning belief system to create your desired future
- Understanding and dealing with the dynamics of crisis, transition and transformation
- Formulating and communicating a clear and meaningful vision for the future
- Exercising mindful self-leadership
- Cultivating key leadership qualities such as flexibility and stability and balance

* Success Factor Modeling and SFM are trademarks of Dilts Strategy Group.

THE TRAINING

AUGUST 7-16, 2017

UNIVERSITY OF CALIFORNIA, SANTA CRUZ

There will be a dynamic mix of lectures, small group reflection and exercises to ensure the best possible learning environment. In addition, during the program you will participate in a Mastermind group to help you integrate the learnings even further. Each Mastermind group will be facilitated by a key member of the Dilts Strategy Group.

EXTRA OPPORTUNITY *Silicon Valley Learning Journey*

AUGUST 17-18, 2017

SILICON VALLEY

Experience conscious leadership and innovation in action with the additional 2 day SFM Silicon Valley Learning Journey after the classroom training. See and hear the principles of Success Factor Modeling as they apply to the real-life companies from which they were modeled. Discover the trends, technologies, leaders and companies who are creating the future today.

PRE-TRAINING

AUGUST 5-7, 2017

UNIVERSITY OF CALIFORNIA, SANTA CRUZ

Never been to one of our programs before? Want to be sure you get the most from your investment in the 10-day SFM Conscious Leadership and Resilience training developed by Robert Dilts? This pre-learning program is highly recommended to bring you up to speed on the most essential principles and skills of Success Factor Modeling covered in Next Generation Entrepreneurs (SFM 1) and Generative Collaboration (SFM 2). It is a unique opportunity to ensure your smooth integration into the existing community and to enrich your experience of the Conscious Leadership (SFM 3) program.

ABOUT ROBERT B. DILTS

Robert is an internationally renowned entrepreneur, trainer and coach – author of 26 books on numerous topics including innovation, leadership and success. He has researched and modeled hundreds of successful next generation entrepreneurs and leaders like Steve Jobs of Apple, Richard Branson of the Virgin Group, Jeff Bezos of Amazon.com and Elon Musk of SpaceX and Tesla Motors.
